ABOUT ME

I'm Kifayat Ullah from Charsadda, Pakistan, with a strong passion for web technologies. My journey began with the basics of web development, and over the past 2 years, I have honed my skills in web development, particularly focusing on React JS and modern CSS frameworks.

Alongside my technical expertise, my academic background – including rellgious studies – has instilled in me discipline, patience, and attention to detail. These values reflect in my work as a developer, where I strive for precision and excellence.
